

Step 1: Begin with a square sheet of [paper](#)

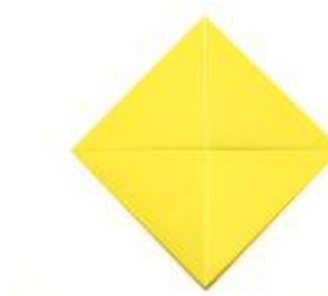

Step 2: Fold paper in half from left edge to right edge, then unfold.

Step 3: Fold in half again, but this time from top edge to the bottom edge, then unfold again.

Step 4: Fold the top left corner to the center.

Step 5: Fold the other three corners to the center. It should look like this when you're done.

Step 6: Take a flap and fold outwards like so.

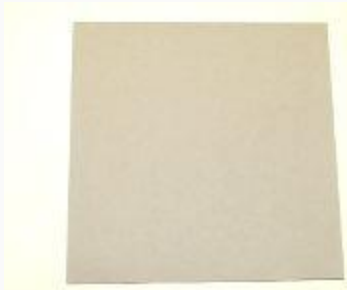

Step 7: Fold out the rest of the flaps.

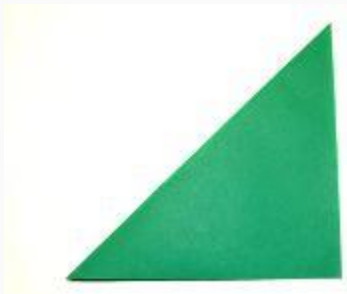

Step 8: Turn the figure over.

Step 9: Now to make the stem. Get a new piece of paper and place it color side down.

Step 10: Fold the upper left corner down to the bottom right corner, then unfold.

Step 11: Fold the left edge to the center crease.

Step 12: Now fold the bottom edge to the center crease. It should resemble a kite like in this picture.

Step 13: Again, fold the bottom edge to the center crease.

Step 14: Take a portion from the bottom and fold it up diagonally as you see in the picture.

Step 15: Turn the figure over.

Step 16: Finally tape the sunflower to the stem.
Good job!
