### ALICE IN WONDERLAND TEA PARTY

Join us on National Hot Tea Day for a very merry unbirthday celebration! A tea party right out of Alice in Wonderland! Tea, hot chocolate, lemonade, finger sandwiches and more at a tea party that would make the Mad Hatter proud!

Dress as your favorite Alice in Wonderland character or just come in your regular clothes! We will be making Mad Hatter top hats to go along with our theme. Remember, we're all mad here and the goal is to have fun!

### **COOKIES & COFFEE WITH KUBIAK COOK: FUNERAL PREPLANNING INFORMATIONAL**

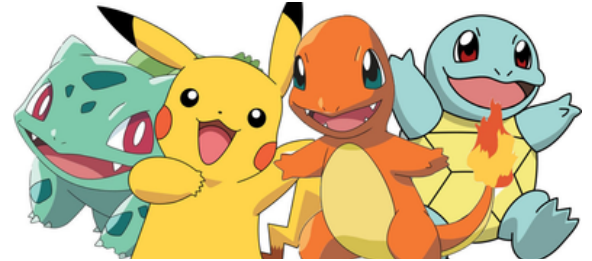

Learn about the benefits of Funeral Preplanning, hosted by Kubiak Cook. This can be a difficult subject to think about but Kubiak Cook would like to offer as much information as they can to provide peace of mind and a sense of control for such a difficult time.

## BIRD HOUSES

Monday, February 13th is the start of National Homes for Birds week! Come to the library to make your own snap together bird house and decorate it however you want. Then hang it up at your house to celebrate Homes for Birds week!

## Pokémon Day Craft Fest!

February 27th is National Pokémon day and we are celebrating by making Pokeball Terrariums, Bulbasaur Planters, and more! If you love Pokémon or just love to craft, make sure to sign up for our Pokémon Day Craft Fest!

## HUMAN BATTLESHIP

Do you love the game battleship? Then this is the activity for you! Become the ship yourself by laying on the gridded floor divided by a curtain. Then take turns making shots at the other team by throwing a foam ball over the curtain and trying to get a hit. First team to sink all of the other team's ships wins!

## Writing and Critique Group

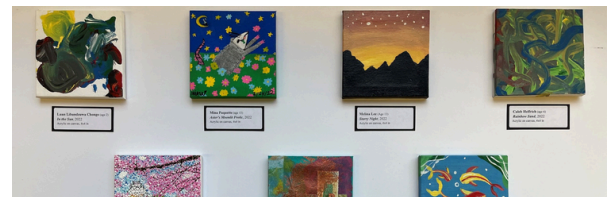

Do you love to write but don't have a writing community to support you? Come down to the library every other Saturday and join other passionate wordsmiths in sharing, critiquing, and growing as writers.

## CRAFT CLUB!

Are you working on a project or looking to start a project but don't have the time, space, or peace and quiet to do it at home? Bring it to Craft Club!

Work on your knitting, crocheting, needle felting, coloring, or whatever other craft project you are working on at the moment. A great way to connect with other crafters and have a designated time set aside just for you to work on what you love! The first meeting is on January 16th and will meet the third Monday of each month!

## Tiny Art Show

Create a miniature piece of art to be displayed in the library for our tiny art show! Create whatever your heart desires, give it a name and make sure to take credit for it!
