Get creative with Bluey and Bingo headbands, cookie pizza decorating, and make-your-own finger football crafts. Refresh with fairy bread, fruit bat fruit, Bluey's blue punch, and Bingo's pink lemonade. It's a family-friendly fiesta of fun, laughter, and delightful treats. Don't miss out on this enchanting Bluey adventure - see you at the library!

IT'S VALENCRIMES DAY!

Step into the dark side of love this Valentine's Day with our True Crime Trivia Night, where we explore the twisted tales of infamous and eccentric couples throughout history. Test your knowledge of notorious duos like Bonnie and Clyde or the infamous "Barbie and Ken Killers." Bring your partner or a group of friends for an experience that's as mysterious as it is memorable - because sometimes, love takes a detour into the macabre.

WHEN THE WAR CAME TO DORR

Historian and museum exhibit designer Valerie van Heest will share the story of how a WZZM newscast shed light on the long-forgotten story of three preteen boys from Dorr, Michigan, who found a strange object floating downward from the sky. Years later they learned it was a FU-GO balloon, an unusual weapon launched by the Japanese near the end of World War II.

WARRIOR LAWYERS VIEWING

Join us at the library for a thought-provoking evening as we screen the documentary "Warrior Lawyers," a compelling exploration of legal battles fought for justice and indigenous rights. After the screening, immerse yourself in a riveting Q&A session with representatives from the Gun Lake Tribe.

FIRST TIME HOME BUYER SEMINAR

Embark on your home-buying journey with confidence at our exclusive First-Time Home Buyers Seminar featuring industry experts Geoff Brown, a seasoned Realtor and broker from City2Shore Gateway Group, and Josiah Samy, a knowledgeable mortgage lender from Mercantile Bank.

Don't miss this opportunity to gain expert advice, ask questions, and take the first step toward homeownership with clarity and assurance.

Leap Day Party

Join us on the 29th to celebrate our bonus day by exploring all the different animals that leap and jump! Frogs, rabbits, kangaroos, lemurs, and more will be showcased in fun crafts, games, and food as we celebrate the once-every-four-year event of Leap Day!

Cocktail Candles

Craft your own cocktail-inspired candles in our DIY program! Join us for a quick and delightful session to make candles that look and smell like your favorite cocktails, all in charming cocktail glasses.

Donuts and Painting

Back by popular demand, it's donuts and painting! Come to the library and enjoy a delicious donut while you paint a fun Valentine's work of art or an adorable dessert picture.
